**CCG 4001**  
2.5 octave G5 - C8 Satin Chrome Plated Steel

## Custom Classic Series

Using the greatest care, we select wood, hand tune resonators and all our design skills to manufacture these superb lines of percussion keyboard instruments. Featuring the finest in traditional craftsmanship, the very latest in material and tuning technology we present you these instruments. Rich and focused in tone. The instruments are easy to transport and height adjustable through our patented VCL System. If the ultimate in sound an quality is what you want, consider these Royal Series of mallet instruments.

### Custom Classic Series 4000 Series | CCG 4001

As a result of experiments and research of our sound engineers, we present a set of professional designed orchestra bells. We redesigned the free-floating suspension of the bells to realize a very clear and rich sound. The satin chrome finished bars are free suspended on a special cord for minimal material contact. The special aged steel alloy barset stands for a very clear and rich sound with an enormous projection of total tonal stucture. The set of bells are supplied with a sturdy and elegant transport case.

#### Bars | Satin Chrome Plated Steel

Material: Satin Chrome Plated Steel

Bar Sizes: 30x10 mm

#### Frame

To realize the most stable and precize construction, the frames are very carefully designed and are made out of first choise solid Ash wood, carefully shaped and CC machined.

#### Floating Bar Suspension | FBS

Most notable is the new Floating Bar Suspension System (FBS). This proprietary bar support system actually increases bar resonance by 20%! Precision laser cut bar support arms are angled to insure that each and every bar is supported exactly to the nodal point.

RANGE OVERVIEW

DIMENSIONS & WEIGHT

A = 74,7 cm | 29,3 inch  
 B = 43,5 cm | 17,1 inch  
 C = 20,3 cm | 8,0 inch
