Glockenspiel

PSG 2000
2.5 octave G5 - G8 Aluminum

Made in Holland | Used Worldwide

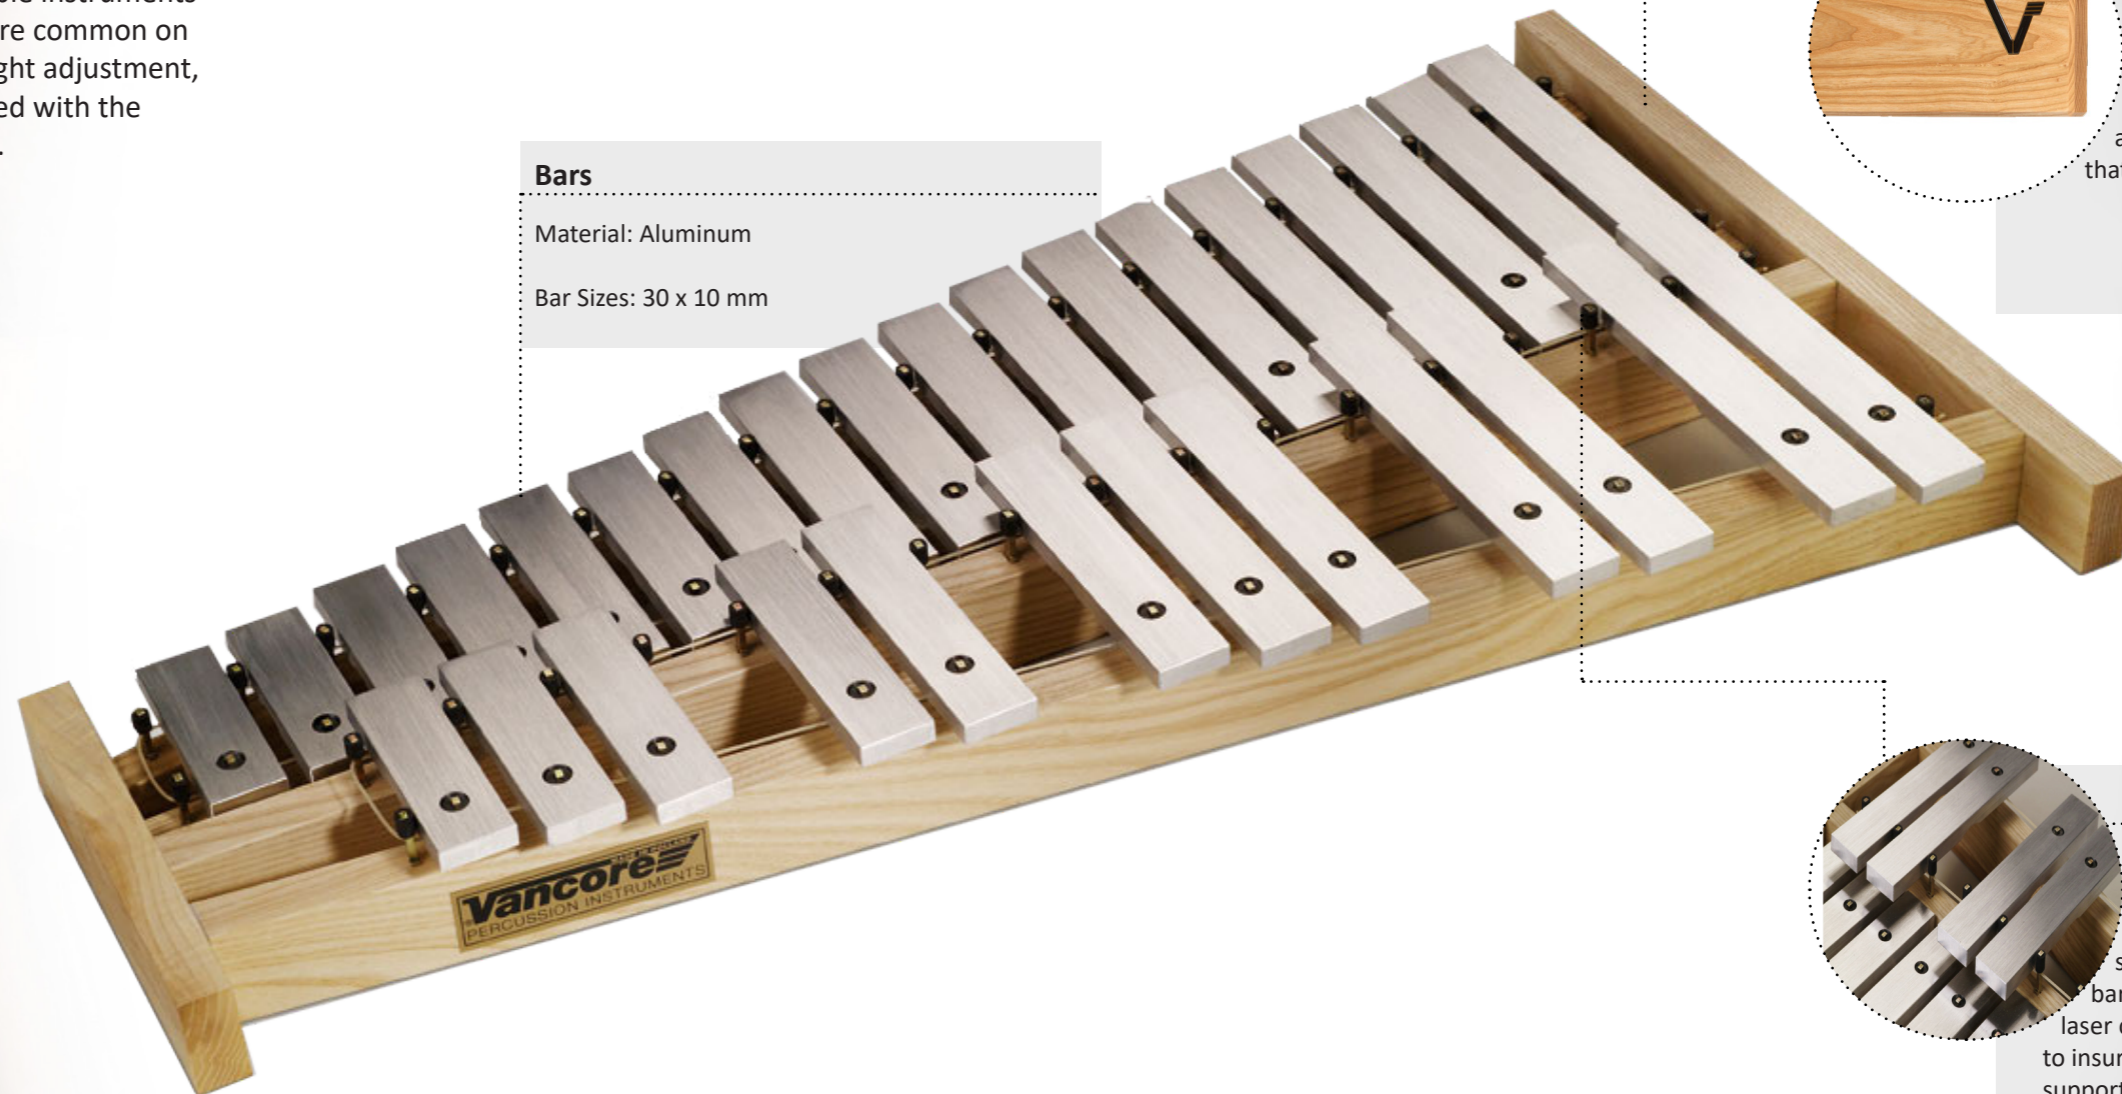

Performing Standard Series

A thoughtfully designed series of xylophones which compliments our top of line instruments. Perfectly tuned bars and resonators together with visually appealing frames and features, usually associated with much more expensive instruments.

Performing Standard 2000 Series

Vancore Performing Standard 2000 Series are designed in partnership with top professional teachers and percussionists. It is a series of affordable instruments fitted with all standard options which are common on professional instruments. Manual height adjustment, foldable, easy to transport and supplied with the unrevealed integrated rail suspension.

professional teachers and percussionists.*

Bars

Material: Aluminum

Bar Sizes: 30 x 10 mm

Endpieces

To realize stable and precise constructions, we use high grade steel and European Ashwood components. Rails and endpiece are very carefully designed to make that perfect match.

Floating Bar Suspension

Most notable is the new Floating Bar Suspension System (FBS). This proprietary bar support system actually increases bar resonance by 20%! Precision laser cut bar support arms are angled to insure that each and every bar is supported exactly to the nodal point.

*The PSG 2000 Comes with
a lightweight and strong
aluminum case!*
