Productinformation

Tubular Bells

PTB 2001

1.5 octave C5-F6 32 mm Chrome

Made in Holland | Used Worldwide

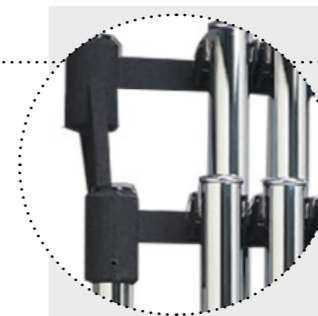

Performing Standard Series

A thoughtfully designed series of instruments which compliments our top of line instruments. Perfectly tuned tubes, together with visually appealing frames and features, usually associated with much more expensive instruments.

Performing Standard 2000 Series

Vancore Performing Standard 2000 Series are designed in partnership with top professional teachers and percussionists. It is a series of affordable instruments fitted with all standard options which are common on professional instruments. Manual height adjustment, foldable, easy to transport and supplied with the unrevealed integrated rail suspension.

*Designed in partnership with
top professional teachers
and percussionists!*

Frame

The frame is developed for effortless use. Choosing the best materials and still keeping an eye on the overall looks these bells stand for quality in sound and performance.

Tubes | Chrome
